

REPAIR CONSENT FORM

Please print & complete and sign the form below. Please send this completed consent form along with your item for repair to the address below. Please don't send any games, leads or accessories, these are not required.

By sending your item to us you agree to our [term & conditions](#) of our repairs service. Please note that we are not responsible for any data loss, hardware failure, or any damage that may occur whilst repair work is being carried out. We will always take the care when attempting to repair your item. Where possible we will always try and preserve data & hardware.

All items sent to us for repair are inspected & diagnosed on a no fix no fee basis. However, should your item not be repairable you will be required to pay a return postage charge of £7.99. This postage charge is not applicable to completed repairs as it is included in the repair price featured on the listing.

If you live local you may visit us for an on the spot repair, please see our [contact us](#) page .
